**Bitcoin Price App (formerly BTC Price App) !LINK!**

# Download

The screenshot shows a file download interface. On the left, there is a blue folder icon with a cloud inside. Below it, the version number '6.4' is displayed next to five stars and the text '2865 VIEWS'. To the right of the folder icon, the text reads 'File was found and ready to download!' followed by 'UPDATED 14 HOURS AGO'. Below this, it says 'Fastest Source: useenet.nl'. Underneath, there is a note: 'Click the **download button** and select one of the found **cloud sources**.' A blue 'Download' button with a download icon is visible, along with a 'SECURE SCANNED' badge. At the bottom of the interface, there is a message: 'You need to log in before you can post comments.' Below this message are three icons with labels: 'Navigation' (a list icon), 'Registration' (a group of people icon), and 'FAQ' (a lifebuoy icon).
