Virginia Rules of Criminal Procedure – 4.1(b)(4) of the West
Virginia Rules of Criminal Procedure – 4.1(b)(4) of the West
Virginia Rules of Criminal Procedure Wisconsin . (2) (b) A law
enforcement officer, in the course of an investigation or any other
lawfully executed activity, may reasonably obtain the following
information: (i) from a peace officer, nonpeace officer or a person
acting on behalf of the peace officer, the results of any test or
chemical analysis of the person's blood, breath or urine, or any
other bodily substance, as required by law; and (ii) from a
physician, the results of any medical examination of the person's
blood, breath or urine, or any other bodily substance, as required
by law. . (2) (b) In order to protect the health and safety of an
individual or a population, a law enforcement officer may
reasonably obtain the following information: (i) from a physician,
the results of any medical examination of the individual's blood,
breath, or urine, or any other bodily substance, as required by law;
(ii) from a law enforcement agency, the results of a medical

examination of the individual's blood, breath, or urine, or any other bodily substance, as required by law; and (iii) from a hospital, the results of a medical examination of the individual's blood, breath, or urine, or any other bodily substance, as required by law. . (2) (b) In order to protect the health and safety of an individual or a population, a law enforcement officer may reasonably obtain the following information: (i) from a physician, the results of any medical examination of the individual's blood, breath, or urine, or any other bodily substance, as required by law; and (ii) from a law
