Photocopiable student tests As of December 2009, students are no longer allowed to use paper in exams. All tests are now administered using an electronic device. We would strongly recommend you download the test from the link below and print them out using a reputable printing service. It will save you time on the day of your exam. It is also easier for the teachers to collect the electronic versions of the tests. We recommend you use an online testing service. These are the top five to choose from. Pearson Educatoin: Act student tests: Education Matters: Staffline: ELT Testing - Online Tests: A: Now there is a student on StackExchange who has a program that randomly gives a copy of the current test sheet to the students so there is no leak of the test and the student only has to keep the sheet for the 2 hours and then give it to the teacher afterwards. It's not a solution to the leak problem but it might be a solution for your situation.
