Get ready to settle into the realism of GTA Vice City. It's not easy to go back to the action of Vice City, but this game shows the way with a strong story and a beautiful setting. The game is still in a good state as well, the game is new, the graphics and the sound are very good. The multiplayer is also active and you can meet your friends. Let's take a look at what this amazing game has to offer! It's an action game where the user can play as a gangster. But your character is not only a violent character but he is also a criminal. You can become the head of a crime family, you have your own crew and you can sell drugs and do other crimes. Do what you like, use your weapons and the power of your character to survive in this dangerous world. Vice City is a complete city that offers a lot of things to do. You can do almost anything if you have the money. You can get pretty much everything in this game and that includes: - fast car - flying boat - helicopters - motorcycles - boats - jets - water taxi - miniguns The game also has a great soundtrack that can be listened to by simply using the headphones. The level design in this game is also amazing, it's a good location that is different from the Vice City. The User Interface is also very good, it's easy to use, you can easily manipulate the character. The most amazing thing of the game is the mission in which you have to do is to have fun. If you want to save your city, you have to perform these missions. You can kill many people, steal some money, and destroy some buildings. It's a completely action game where you can also get the feel of being a gangster. You can destroy as much as you can and spend your money. If you have enjoyed playing this game, then you can also have an opportunity to meet some friends and go to real locations. This game is available for Android and for iOS and it is rated with 9.1 out of 10. The game is completely free, so you don't have to worry about that. The Final Word: All the features in this game are very attractive. The game is also very attractive and the story is very good. The
