FINAL FANTASY XI is a subscription-based MMORPG with over 14 years of fan-favorite gameplay. The FINAL FANTASY XI online world is a living, breathing realm of epic battles, ambitious exploration, and vivacious adventure. Players take on the role of an adventurer, traveling across the realm in search of vast wealth and powerful treasures. Over the course of the game, the player's courage and strategic skills will be tested as they face new creatures and formidable adversaries. Players create their character at the beginning of the game and retain that character for the entirety of their playtime. Players can also customize their character by investing in three branches of training, including but not limited to the Artisan, Guardian, and Warrior path. FINAL FANTASY XI: A Realm Reborn will be released in January 2013 and will take players to a brand-new land, Abyssea, where players will encounter a brand-new threat to the realm. FINAL FANTASY XI: A Realm Reborn will be available for PC and will run at 60 frames per second. About Square Enix Square Enix, Inc. Headquartered in Tokyo,
