Borland Turbo C++ is a
C/C++ programming
environment for MS-DOS &
Microsoft Windows. It is
compatible with both 32-bit
and 64-bit versions. All
Borland Turbo C++ sources
can be opened and available
for all versions of Borland C.
Like most other software
tools, Borland Turbo C++
can only be installed on your
computer using the Borland
C++ Builder or Borland C++
installer. These programs
install Borland C++ Builder
(Borland C++ Builder), a

Delphi environment for
Borland C++ Builder, which
later becomes Borland C++.
Borland C++ Builder can
also be installed on
Macintosh computers.
