jemaah Islamiyah-linked "kuliah" (educational institution) and have been designated as not under the local government system. Separatist barangays are thus not located within the regular political divisions of Mindanao. The creation of the separatist barangays is part of the Bangsamoro autonomy process, spearheaded by the Moro Islamic Liberation Front (MILF). They are characterized as "spheres of power" by some observers, as the creation of separatist barangays has meant that the area in question is not under the control of the Philippine government and is entirely under the control of the MILF. It also means that the areas are not considered part of the
