With everything you need to create software from an. .Ante la oferta de empleo que se recibió de la Agencia Pública de Vialidad (APV), Cristina Yabot -fundadora y directora de la Fundación Juan Pablo II, pidió asistencia técnica y supervisión de la huelga por parte del Ministerio de Trabajo para promover la reforma del régimen vigente en el sector de la inversión vial. En una carta a la ministra de Trabajo, María Beatriz Díaz Ayuso, Yabot le explicó el contexto en el que se desarrolla el conflicto. "Durante la semana previa se ha visto el ejercicio de la huelga en la Dirección de Investigaciones y Educación, quienes han trabajado en esa misma dirección y de ese instituto han sido los dueños del trabajo, los que han sufrido la exclusión laboral por parte de sus superiores. Todo ello se ha desarrollado en un ambiente de amenazas, de humillaciones y de mofa, dentro del Estado de derecho", expresó. La activista de Juan Pablo II denunció que las empresas del ramo se encuentran en "falta de asesoramiento técnico y de supervisión" por parte de 2d92ce491b
