Share on Facebook, Twitter, Google Plus, and More. Stream Mobb Deep - Hell On Earth (1996) [Album] on Apple Music. These new Mobb Deep tracks are so impressive and it makes me wanna cry, their raw music and vibe is so fresh compared to some music out there now. I would suggest you check out the previous albums as well, hell on earth is my favorite and Juvenile is good, also i would suggest you check out "side effects of america" and if you liked that you should go and check out the entire mixtape so the reader can also check that out as well. i hope you enjoyed this little review and hopefully you will check out the rest of my music collection as well, i have so many other good artists. any advice or comments would be appreciated, thanks.
