Assassin's Creed IV Black Flag Offers New Time Trials and Game Modes Assassin's Creed IV Black Flag is offering a series of achievements for players to achieve and acquire as the game progresses: imagine winning the full game for the first time! GAME INFORMATION A NEW ADVENTURE Embark on a journey through the mystery of the Assassin's Creed universe, spanning across the New World, the Italian Renaissance, and far into the future, in this continuation of the Assassin's Creed saga. • Experience a fresh, new story set in the most historically rich regions of the New World, and can now make their way towards the hidden symbol of Mankind, the Golden Pinnacle. RE-EXPLORING THE ASSASSIN'S CREED UNIVERSE Ride on the back of dinosaurs in the Mesozoic era, or the soles of horses on the open plains of the American West. • Train your Assassin and recruit skilled Assassin partners for greater stealth and combat capabilities. Over the course of your journey, you will uncover your true heritage and find your own personal strength as you hunt down the Master Assassins. FIND A NEW PATH • Customize your character's appearance by choosing hairstyles, facial hair, and skin tones, as well as their iconography. • Battle alongside ruthless predator tribes, such as the Iroquois, and defend your village from the deadliest of animals. • Navigate vast open environments, such as the deserts of the American Southwest, for greater freedom of movement, and faster, more efficient transport. DESIGNING YOUR OWN ULTIMATE ADVENTURE • Design your own unique island and establish a settlement, mining your precious resources in real-time. • Explore a host of dynamic quests, and track your progress on a rich storyline that 570a42141b
