Latest News. 9 Aug 2012 - Samsung is making it easier to restore your Android Phone with its new software called Samsung Device Toolbox. the time of the offense was significant in assessing the seriousness of the offense. Certainly, that fact relates to the reasonableness of his sentence. In addition, the fact that the offense of conviction arose after the defendant was sentenced in State v. Olson, 10th Dist. No. 01AP-122, 2001-Ohio-6509, in the same case in which it was incurred, which was the reason he sought to withdraw his plea, likewise supports the imposition of a harsher sentence. ¶15 The trial court, however, mistakenly stated in
